### **LEARN THE BIBLE FAST With Pastor Gary Lau**

The purpose of this course is to help you understand the basic structure and overview of the Bible. Essential to any Christ-follower is an understanding of the Bible from Genesis to Revelation. Once a general overview is grasped, deeper understanding is possible.

At the end of this course you will be able to:

1) Arrange the 48 major events of the Bible in chronological order 2) Illustrate the major

events using symbols 3) Establish God's glory as the central theme of the Bible 4) Highlight God's plan for salvation through the use of messianic prophecies, events, and types.
