"Photo Beauty of the Earth"

#hcuccEarthDay2019

Earth Day (March 22) is observed annually to celebrate and support environmental protection. In order to protect we must first appreciate. Let's share our appreciation for the beautiful Earth we live on by sharing photos of the beautiful things we've seen that remind us of God's creativity.

GUIDELINES

- Submit photos of **Earth's beauty**
- Photos could have been taken at any time (i.e., a photo taken years ago or a photo you take tomorrow)
- Any persons appearing in photo must be unidentifiable
- Submit only photos that you have taken (or taken by someone you know, with their permission)

PHOTO SUBMISSION

- Post photo on Facebook, Instagram, or Twitter with the hashtag **#hcuccEarthDay2019** and make sure the post is set to 'public' so it can be shared!
- OR email photo to media@hcucc.org
- Include: (1) photographer's name & church, (2) image description/location, (3) optional reflection/quote/scripture
- Submit as many photos as you want!
